Dear Glen:

Thank you for the opportunity to review the North Pocono School District website information. Please be advised that I did receive a return telephone call from Bruce Mackley at Senator Baker's office after our meeting on February 5, 2013. Mr. Mackley indicated that Senator Baker had spoken to the Department of Education officials and to Kimberly Kost-Scanlon and put them in touch with each other. I have confirmed with Kimberly Kost-Scanlon that Dennis Cawley, Business Manager of the North Pocono School District has been in touch with Pennsylvania Department of Education officials in order to review alternatives for tax equalization between Lehigh Township and the nine Lackawanna County municipalities which comprise the North Pocono School District.

I believe the remainder of the website information is complete and accurate. Thank you for your cooperation.

Sincerely,

Anthony J. Magnotta, Esq.
