Re: North Pocono School District/Lehigh Township

Dear Attorney Scanlon:

At the Lehigh Township Board of Supervisors meeting on March 5, 2013, several residents of the township participated during our public participation portion of the meeting with questions regarding the status of the school district's effort to equalize taxes between the Lackawanna County Municipalities and Lehigh Township, Wayne County, Pennsylvania. The purpose of this letter is to request a status report so that I may provide the Board of Supervisors and those residents interested in tax relief in Lehigh Township a status of the attempt at tax equalization.

I was unable to provide the supervisors with any additional information at our March 5, 2013 meeting. Please advise as to the school district's efforts in resolving this matter at your earliest convenience.

Thank you for your anticipated cooperation.

Sincerely,

Anthony J. Magnotta, Esquire
